Paluza **group** s.r.o.
An Optimum Support

Paluza group es una nueva marca dinámica introducida por Apothecaries Sundries Mfg Pvt Ltd, aprovechando nuestras décadas de experiencia en la industria médica. Con una sólida base en el desarrollo y fabricación de diversos productos médicos, hemos canalizado nuestra experiencia en el campo de los implantes ortopédicos.

Paluza group representa nuestro compromiso de avanzar en el campo de la ortopedia con soluciones innovadoras que priorizan el bienestar del paciente y mejoran la calidad de vida. Con un enfoque en la innovación, la precisión y el bienestar del paciente, diseñamos y fabricamos implantes de vanguardia que optimizan el movimiento, potencian la fuerza y permiten una mejor calidad de vida.

Nuestro objetivo es proporcionar soluciones innovadoras que mejoren los resultados del paciente, restauren la movilidad y mejoren el bienestar general.

Paluza group is a dynamic new brand introduced by Apothecaries Sundries Mfg Pvt Ltd, leveraging our decades of experience in the medical industry. With a strong foundation in developing and manufacturing various medical products, we have channeled our expertise into the field of orthopedic implants.

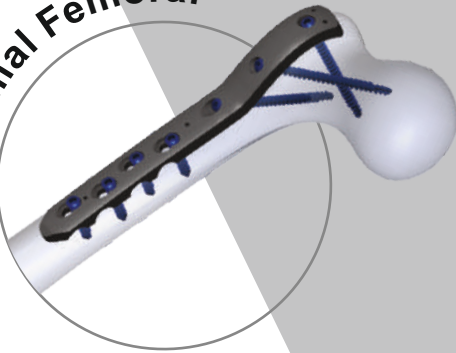

Paluza group represents our commitment to advancing the field of orthopedics with innovative solutions that prioritize patient well-being and enhance quality of life. With a focus on innovation, precision, and patient well-being, we design and manufacture cutting-edge implants that optimize movement, empower strength, and enable a better quality of life.

Our goal is to provide innovative solutions that improve patient outcomes, restore mobility, and enhance overall well-being.

1. Locking Implants - Plates & Screws Implantes de Bloqueo - Placas y Tornillos	1-6
2. Non Locking Implants - Plates & Screws Implantes sin Bloqueo - Placas y Tornillos	7-9
3. Nailing System Sistema de Clavado	10-12
4. Hip Prosthesis Prótesis de Cadera	13-15
5. Spine Implants Implantes de Columna Vertebral	16-17
6. Maxillofacial Implants Implantes Maxilofaciales	18-20
7. Power Tools - Battery Operated Herramientas Quirúrgicas Eléctricas - Operadas con Batería	21-22
8. External Fixators Fijadores Externos	23-27
9. Orthopaedic Instrument Sets Sets de Instrumentos Ortopédicos	28-30
10. Surgical Machine Máquina Quirúrgica	31-32
